D Mankus noted the purpose of cutting the land is to promote growth. He stated they should get a plan and then get a survey.

N Fogg questioned if any of the timber would replenish the budget for a plan. He stated he would check with Peter in regards to the previous suggestions made and if the funds are usable for the purpose of getting a plan.

T Dube noted they also need to know when they should do the harvesting.

N Fogg stated he would get a draft RFP for the next meeting and set up a walk of the land with the County Forester.
