### **Old Business**

#### **Building Committee**

Committee is moving forward. We will have DRAFT exterior and interior renderings for the next Committee meeting. A sub-committee has been established for both corporate and individual fund raising. Parks and Rec is working with the US Department of Agriculture on possible grants. (There are no USDA grants available to help build recreation centers. There may be grants available for furniture and fixtures for other community related needs.) A DRAFT Operating Budget for a new facility has been created and is being reviewed by the Committee.

The next meeting of the Committee is being planned for November 4, 2022 to be held at the Parks and Rec Building.

#### **Golf Tournament**

114 golfers participated at Indian Mound Golf Course. Net proceeds from the tournament are \$8,140. These proceeds will go toward Town of Wakefield fireworks display in July 2023. The golf tournament was a success.

### **Soccer**

The town soccer program is finishing during the week of 10/24. The season ending banquet was held at Poor Peoples Pub on 10/23/22.

### **Dog Park**

Parks and Rec is trying to raise funds to purchase loam and grass seed to prepare the dog park this year before the snow flies. There is an active fund-raising program allowing people to purchase commemorative plaques for \$250 to be hung on the fence with their pet's name inscribed.

### **Unscheduled**

The 2022 Rec Budget "01" account is almost depleted. The budget is a "bottom line" calendar year budget. Parks and Rec has submitted the 2023 budget request which is 5% higher than 2022. The Selectmen added another \$12,00 to the budget request for summer programs. Those requests will go to the Budget committee later this week.

The next meeting of the Wakefield Parks and rec Commission will be 11/14/22 at 5:30 p.m. at the Parks and Rec Building.

There being no further business the meeting adjourned at 6:40 p.m.

Respectfully submitted,

John Myers, Acting Secretary
